Degree programme followed at HUB:

HUB can grant study load concessions on the basis of two grounds: Qualifications already acquired and Competences already acquired.

Qualifications already acquired (EVK)

Competences a student has acquired and of which he can provide evidence by means of a certificate or a diploma awarded after graduating for a formal education or training .

Date:

Signature: *I certify the above data to be true and authentic*

With my signature I confirm that the information given is correct and complete. Modifications must be communicated to the institute immediately.

The 8 December act concerning the protection of the privacy is applicable to all personal data. These data will be processed on the responsibility of HUB, Stormstraat 2, 1000 Brussels on behalf of the Student Administrative Services Centre and the Centre for Student Counselling and Guidance.

Hogeschool-Universiteit Brussel (HUB) is a structural cooperation between HUB-EHSAL (until 1 September 2009 known as EHSAL, European University College Brussels) and HUB-KU Brussel (until 1 September 2009 known as Catholic University of Brussels). The degree programmes of the former departments VLEKHO and HONIM of the Hogeschool voor Wetenschappen en Kunst as well as the degree programme Family Sciences of the Hoger Instituut voor Gezinswetenschappen belong to HUB-EHSAL as of the 2008-2009 academic year onwards.

Please submit the completely filled out and signed document to the Student Administrative Services Centre of your campus.
